

WHIP TOPPING PORTFOLIO

**Taste the passion
and whip up
something special**

Passion can come in many forms. It can be making something simple, as a sign of love and appreciation for those that matter to you. It might mean creating when inspiration strikes and simply trying something new. Or it can mean crafting to absolute perfection and making sure every detail is just right. Whatever form passion takes for you,

we want to make sure that your creations embody it – and that all can Taste the Passion.

The same goes for our approach to Whip Creams. Our passion too comes out in many ways. Creams that are within everyone's reach and give life to the classics. Creams that add a touch of the extraordinary to special creations, and creams that bring unparalleled perfection to masterpieces. We hope you'll love these whip creams that we've put our whole heart into.

OUR STORY

At Creambell,
our passion is
supporting
your creations.

Whether it's a dollop on top of your favourite ice-cream, an essential dessert ingredient or that special touch on a crafted masterpiece, we deliver quality that keeps your passion alive.

For two decades, we've built a foundation as one of the fastest growing ice-cream companies in the country.

But we're just as dedicated to the cream itself as we are to pursuing the perfectly creamy ice cream.

Using our state of the art technology, our tried and tested supply chains, and last but not least the finest ingredients and stringent standards, we deliver high quality products and services throughout all of India.

Passion isn't the
end – it's just the
beginning.

It's passion that sparks inspiration.
It's passion that inspires generosity.
And it's passion that produces the
smoothest textures, the most balanced
flavours and the most decadently delicious
culinary experiences. That's enough from
us. What are you waiting for? Sweet?
Savoury? Soft? Silky?

Whatever it is, we can't wait to taste what
you'll make next.
